

PRECIOUS OKOEMU

Video Editor | Motion Designer

As a visual communicator with several years of experience and a passion for simplifying complex information into engaging visual content, I understand that creating videos requires more than just technical skills. It involves building and maintaining relationships, managing time effectively, and being flexible with concepts. I enjoy helping brands connect with their target audience through my work.

Speaker, GDesign meetup 2.0

2018 | Benin City

GDesign is a conference for both designers and aspiring designers. I was able to impart from the wealth of my experience the path to becoming a motion designer and the importance of motion design in our world today.
